Yard Trailers

Hydrotrans is an experienced engineer and manufacturer of Yard Trailers and is well known in the maritime industry. The Yard Trailer is specially designed to transport and store boats in a fast and efficient way.

Mani-bateau®

The Mani-bateau-series, a one wheel steerable towed Yard Trailer available in a wide range of capacities.

Hydrotrans Mani-bateau® series

The Hydrotrans Mani-bateau is available in capacities from 10 tons upwards to 100 ton and more on request. Although optionally selfpropelled, and standard Mani-bateau is towed. This means it needs to be linked to a vehicle which pulls the trailer and provides the power for the hydraulics. The trailer can be fully controlled from the towing vehicle with a control panel. It is easy to link the trailer to the vehicle: two latches for hydraulics and a connector provide all the power.
